Jumbles has recently started his serious training and is proving to be a very capable and confident young dog who is super keen and learns quickly. He is a pleasure to own, keeping to himself around the other dogs and is always close by without being prompted. His dam, Stella, is a big casting, fast, very confident and capable bitch and Jumbles has picked up many of his sire's good traits including his gentle nature and willingness to please.

**Sire:
Serrano Ruff**

**Dam:
Chudley Stella**
