Jill and her sister Bell have been pure workaholics from a very young age. Jill's tall and lean structure enables her to travel well to cover her stock. We have high hopes for Jill as a future brood bitch and keen competitor. She is very confident and can use force when required. We are enjoying watching her grow into a very nice, well-structured bitch that we were looking for from this mating.

**Sire:**  
RC Wiz

**Dam:**  
RC Missy
