From a young age, Mackenzie has demonstrated great work ethic: maintaining good natural distance, reading his stock, positioning himself well and confidently using force when needed. He is a very fluent mover with speed and finesse and loves to run. Macka is an extremely loyal dog, proving his worth as one of Cathie's go-to dogs to work sheep or cattle, in the paddock or yards, to get things done first time, right. See videos of Macka helping us to prepare cattle for the Widgee cattle dog trial at: <https://youtu.be/OhShju2KY2Y> and playing with the sheep (Oct 2021) <https://youtu.be/vC9u80jBTm8>
