Ruff is a very intelligent, capable and confident dog combining strength and skill. He has great conformation and is fluent in his work. He is strong enough to confidently educate weaners on his own and gentle on ewes with baby lambs. He is very loyal, doesn't like to get into trouble and does his utmost to please. He is gentle with little pups and laps up attention. Joint owned with Serrano Border Collies, Casino, Ruff lives, works and plays with us at RC Pastoral. For videos of Ruff, go to Serrano Border Collies Facebook page videos.

Progeny retained from Ruff: Benabella Jumbles.

We have recently mated Ruff to RC Nina producing all short haired progeny.
